Missionary Church Builders

June 2017 Building with Berean Independent Baptist Church

Dear Prayer Partners:

As you can see God continues to bless us with strength for the work allowing the builders to make good progress through the spring months. We have had great help: a youth group, volunteers Dan & Sally Feeser were here for a week, Dallas Putnam, director of CBM Building Ministry, Dennis & Peggy Robinson (CBM missionaries out on a medical leave) joined us for a month, we have help from the church family, and "the Mayor" continues to visit, but refuses to come join us for break time. Pictures to the right show the brick layers well into their work. The educational section of the building is in "the season" of drywall finishing. Please do pray for the men as this is a slow and often tedious part of the project.

Peggy has been making extra large print copies of the Gospel of John for "Dutch" a resident in the nursing home. When Dutch read through chapter three she looked up at Peggy smiling and said, "you know I do think that I am born again" Dutch has been losing her sight, and even with hearing aids she can't hear well either. Our visits can be a bit comical, but do pray that Dutch would have God's peace and real assurance of her salvation. Dutch has been quite sick the past three weeks which has pushed Peggy outside her comfort zone to drop in to visit other residents she doesn't know. This has been a little challenging but God has truly blessed by allowing her to begin some new relationships with opportunities to share Christ with them. Many testify that they are born again, I rejoice with them and we begin to share our lives in Christ.

We have finished a good ministry with the children of the parents who were in the parenting class. Some weeks it was hard getting started but God grew our hearts for these kids. We observed some growth in their character which was encouraging, and also evidence that their parents were applying what they were learning.

We are thankful that our financial support has been steady at about 91%; we appreciate your faithful giving. We acknowledge too the power of your prayers as we are encouraged and abounding in the work God has given us to do, thank you! Mid-July we travel to Ankeny, IA for our annual CBM Family Conference. In the travel plan we made room to visit Katie in Des Moines and Julia's family in Springfield, MO Please pray for safety in our journey and edifying fellowship with our children.
